ELECTION! ELECTION!

MAYOR'S OFFICE,
CITY OF RALEIGH, March 5, 1869.

In pursuance of a resolution adopted by the Board of Commissioners, notice is hereby given, that an election will be held on the 5th day of April, 1869, at the Court House, in this City, wherein the qualified voters of the City shall express their approval or disapproval of the question whether the City of Raleigh shall borrow FIFTY THOUSAND DOLLARS in the manner, and for the purposes mentioned in the following act of the General Assembly of North Carolina.

WM. H. HARRISON, Mayor.

AN ACT TO ENABLE THE CITY OF RALEIGH TO BORROW MONEY FOR CERTAIN PURPOSES.

The General Assembly of North Carolina do enact as follows:

SEC. 1. That for the purposes of paying present indebtedness of the City of Raleigh, and also for meeting the expense of improvements to be made for the same, the City is hereby authorized and empowered to issue bonds severally of such sums or denomination, payable at such time or times respectively, drawing interest at such rate, not exceeding eight per cent. per annum, payable half yearly, of such form and tenor, and transferable in such way as the Board of Commissioners of said City shall deem most judicious. The said bonds so to be issued shall be disposed of upon the best terms practicable. *Provided*, That said bonds be of the denomination of one hundred, and five hundred, and one thousand dollars, respectively, and in such proportion as may be deemed advisable, and *Provided further*, That said loan shall not exceed fifty thousand dollars, and the bonds having twenty years to run.

SEC. 2. That the Board of Commissioners of the City of Raleigh are hereby authorized and empowered, and it shall be their duty, to provide for the payment as well of the principal money as also of the accruing interest of the bonds to be issued under the power granted in the preceding section, by annually laying particular taxes for those special purposes on all the persons and subjects of taxation on which said Board of Commissioners now are, or hereafter may be authorized to lay taxes, for any purpose whatever, and such taxes shall be collected and specially and exclusively applied to the satisfaction and discharging of the interest, and also of the principal money of such bonds, and so much thereof as may not be annually required to pay such interest and cancel, be applied in discharge of the principal money of said bonds, shall be so invested as to secure the payment of such principal money upon maturity of said bonds. For the purpose of securing the due investments of the amount to be collected from year to year and applicable to the payment of the principal money of said bonds, the Board of Commissioners aforesaid shall appoint some suitable person to be styled "Commissioner of the Sinking Fund of the City of Raleigh," whose duty shall be, under such general rules and regulations as said Board of Commissioners shall from time to time prescribe, to make investments of so much of the taxes collected as aforesaid as shall be applicable as aforesaid to the payment of the principal money of said bonds, and to do and perform all such other services in connexion with the debt of the City of Raleigh as said Board of Commissioners may prescribe, and such Commissioner shall give bond, and receive such compensation for his services as said Board of Commissioners may determine.

SEC. 3. That one of the bonds authorized to be issued by the first section of this Act shall be disposed of either by sale, exchange or otherwise, for any purpose whatever, other than that declared in said section; nor shall any of said bonds be applied either by sale, exchange or otherwise, in satisfaction, discharge or renewal of any one of the class of debts referred to in said section, until such debt shall have been first duly audited and approved by the Board of Commissioners of the City of Raleigh.

SEC. 4. The provisions of this Act shall be submitted to a vote of the qualified voters of the City of Raleigh, at an election to be held at the Court House in said City, on a day to be designated by the Commissioners thereof, which shall not be less than thirty days after the ratification of this Act. Those approving the provisions of this Act shall deposit in the ballot-box a slip folded containing the printed or written word "Approved." Those disapproving the same shall deposit in like ballot with the words "Not Approved." If a majority shall vote "Approved," it shall be deemed and held that a majority of the qualified voters are in favor of giving the Commissioners authority to issue the bonds of the City as mentioned in this Act, and likewise to levy and collect the necessary taxes to pay the interest and principal of said bonds as above mentioned. If a majority of said voters shall vote "Not Approved," then this Act shall be of no effect. Those qualified to vote for Mayor and Commissioners of said City, and none others, shall be allowed to vote, and the election shall be held and returns made under such rules and regulations as exist in case of election of civil officers. It shall be the duty of the Mayor to cause a copy of this Act to be posted at the Court House door, and to be published in the Raleigh *Standard* and *Sentinel*, daily for twenty days preceding the election, and he shall publish in like manner a notice of the result of the election. Public notice shall be given of the result of the election.

SEC. 5. The Commissioners of the City of Raleigh shall have power, consistently with the laws of the State, to provide for the registration of voters, and to take all measures necessary and proper for holding the election as contemplated in this Act.

SEC. 6. This Act shall be in force from and after its ratification.

Ratified this 3d day of March, A. D. 1869.

(Signed,) TOD R. CALDWELL,
President of the Senate.

(Signed,) Speaker of the House.

IMPORTANT TO MILL OWNERS.

IN ORDER to accommodate the Milling public with "GODWIN'S PATENT VENTILATOR AND BOLTING CLOTH CLEANER," the undersigned has reduced the price of his Smut Machines to $75. The two will be combined. This important invention guards against damp wheat and damp weather, thoroughly cleaning the Cloth each revolution the Reel makes, and filling the Reel all the time with cold air. Send back your old Machine and have them renewed there by saving the price of a new machine. They will be retarped and warranted for four years. In no case buy a Smut Machine without writing to me first, as there are Machines now being sold as McMannen's Smut Machines which are only an imitation.

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

MONDAY, MARCH 29, 1869.

"ENOUGH AS GOOD AS A FEAST."

We have all had enough; we are all satisfied, the Governor, Treasurer, Secretary of State, Gen. Lafin, and the whole carpet-bag family, except Estes. The Governor is satisfied, for he so expressed himself before the mob in the City Hall. Yes, he was approvingly satisfied, when he said "we should not reply—we should not reply;" and his son Joe and Jenkins seconded the cry—"he shall not reply." After these words from the Governor, the mob was upon us, but for the prompt cocking of his pistol by a policeman, who hushed the mutterings of the mob which had been raised by the Governor's speech. He approved of all that had been done.

We are satisfied our offence consisted in saying that one of the "Holden family, a Radical gentleman, who had lived several years in the Governor's family," had informed us that 12 or 15 yards of carpeting, bought for the Capitol, was on the parlor floor of Menninger, the carpet-bag Secretary of State, and that two cushions, which were made for chairs at the Capitol, were in Menninger's buggy. This little penciling nearly cost us our life. We desire now to make apology and recant, if Pilgrim Ashley, Pepper or Brewer, shall say we ought. If Menninger has not the carpet, bought for the Capitol on his floor, nor the cushions in his buggy, then we have wronged him in a way he should not forgive—and we have been imposed upon by a Radical gentleman, who has slandered, most vilely, this public functionary.

If the carpet is not on the floor as stated, then we think Menninger, not his brother, justified in attacking the Radical gentleman who lived many years in Gov. Holden's family, for perpetrating such a slander upon him. We have no evidence of the carpet being on the floor, except the word of the Radical gentleman. That, taken in connection with the fact that Menninger's brother wanted to fight us, puts the conviction on our minds that the carpet is on the floor, but John Neathery & Co. will call this interfering with a gentleman's private affairs; so we will let the carpet rest where this carpet bagger has laid it.

But we say we will recant for calling this gentleman of W. Holden's family, and for saying that he lived in the family for several years; but the question is, how to do it. If we say he did not live in the Governor's family, we tell a falsehood. So we can't retract, but will say, as is true, we meant no reflection upon the Governor, nor his family, nor do we believe our language can be tortured into a reflection upon any one of his family.

Now this is ample and full. We hope it will appease the offended Governor, for we love to make atonement when we do amiss. But we can't take back or apologize for calling the Governor the morning star of the assassination, because, in the *Standard* of the 5th of June, 1861, the Governor, being Editor, it is asked, "Who will plot for the head of Abe Lincoln." We can't take back the declaration that we could prove by some half dozen gentlemen, that his Excellency had been guilty of falsehood, because that is true, and we can prove it now. We can't take back our publication that he gave Massachusetts treats at the grog shops, for that is true, and we believe that these are the causes of the anger of the Governor. This is why he approved of the attempt to assassinate us.

What did young Jenkins come to the depot to fight about? He was not mentioned, nor his Daddy, either. He's not of the Holden family, and can't justify under that head; then what brought him out?—Did he come with bludgeon and pistol to justify the sale of Railroad bonds at 65, and the failure to pay the interest due in New York, in January last?

Farris, the Keeper of the Capitol, and one of the City Commissioners came, as we might suppose, to keep the peace, for we hear he held Joe after the Police came up. Then, Farris is satisfied?

Fab. Bozier, now victoriously leading the Governor's militia in Alamance, is satisfied, for he told us it was reported that he said we ran, but he said it was not so,—he had not said it. We told Fab. that it needed no apology, for we had as soon he should say so as not.

Now, it looks like we would have peace, but for General Estes, Kilpatrick's Adjutant General. He says, the man who will assassinate Joe Turner can get a pardon, or it may be, have one in his pocket when he commits the act. Why does he hang out such signs of battle and cowardly warfare? When his hopes of our assassination are realized, he will find enough among the living to make him repent of such cowardly revenge. If this be only idle talk in Estes, then we say, such threats have no terrors for us.

FLUSH TIMES AT HAND.—A bill has passed the Senate, authorizing the Treasurer of State to borrow sufficient money, at 8 per cent interest, to meet the interest due on the State debt for January, April and July, and to carry on the wheels of government.

We suppose Treasurer Jenkins knows where he can get the funds at 8 per cent., and it may be safely asserted, that the bonds will be paid off in a few days, and *this* will make greenbacks quite flush in our city for some time.

It is due to Mr. Hayes, that we should state, he opposed the 8 per cent, and urged that 6 per cent was enough—but Mr. Hayes was voted down, as it was thought the money could not be had at a less rate than 9 per cent.

DR. MURPHY.

This gentleman represents the Sixteenth Senatorial District. A voter of that District gives us the following account of the canvass and the vote:

James K. Lee, former Mayor of Fayetteville, was the Radical competitor. He is the man who use to say, "Dod dern, you can't timidate me with your Ku Klux."

At Clinton, out of 266 votes cast, only 6 were cast against Dr. Murphy. At Lisbon Taylor's Bridge and Clinton, every white man voted for the Doctor. At Lisbon, the negroes have a majority, yet the Doctor, beat Lee two to one at that box. Harnett and Cumberland did badly, and especially the old town of Fayetteville. It was thought at one time the apathy of these two counties had lost us the election.

STATE CANAL FROM MATTAMUSKEET LAKE TO YE-CKING CREEK.—This canal which has been a source of untold advantage to hundreds of farmers in the County of Hyde, as it served to drain a vast amount of rich lands, has, since the war, become obstructed, and the result has been, that the County of Hyde, heretofore one of the largest corn producing Counties in the State, has not been able to make sufficient corn to bread its own people.

The citizens of Hyde, in their distress, now ask the Legislature to make a small appropriation to remove these obstructions, that their lands may again prove of value, not only to themselves, but, as they have, in former years, to many of the interior Counties, in seasons of great scarcity. The call seems to be a reasonable one—and one which we think we can endorse, because we can see good to result directly to our whole people—the call is reasonable, in the face of the fact, that before the war, when that people could command labor, they kept this canal open—this labor, they cannot now command—they are poor, and are drowning, and with outstretched hands, they appeal to the State to rescue them. Let the help go down, and make these distressed people, again happy.

Mr. Respass, in the Senate, has brought this matter before the Legislature, and has urged it with great zeal.

APRIL 12TH.—Two weeks from this date, being the 12th of April, the two Houses of the General Assembly of North Carolina have agreed to adjourn. The resolution, in the House, has been so "fixed," that it will require two-thirds to rescind—we do not believe that number can be obtained, if there should be a disposition to prolong the session; so, we may safely calculate, that the two Houses will break up on the day set.

We do not propose to enter into a review of the action of this respectable body of legislators. During the summer, we shall take our time, and make an exhibit of what we conceive to be the most reckless, "don't-care," profligate enactments, which have gone through the Legislature, after a five month's session, to consider and mature.

P. S.—The peace and harmony which has characterized the Senate, entitles the President to another watch.

For the Sentinel.

BATTLE OF DAVIE STREET.

MR. EDITOR.—I was witness to this bloodless battle. I heard the Speaker of the House, and son of the Governor, was to whip you at the depot on the arrival of the train from the East.

I love excitement, if it is not dangerous, so I went down, and before the train came, could be seen our "beloved" son Joseph, and to assist him, young Menninger, young Jenkins, Cebe Harris, Senator Davis, "Gen. Fab Bolzer" of the Malish, Farris, keeper of the Capitol, George Kimberly and Lieut. Pike of the *Standard* office, and delegates from the League of African descent.

The train arrived, no one is seen on the platform but General Bozier, once provost marshal of Lynchburg in the lost cause, and Senator Davis peeping in the car windows to see if you were there. You were soon discovered, and these two retired to the Hall of the depot through which you were expected to pass. The conspirators were disappointed, for some one called out, there he goes, and sure enough you were coolly walking off in another direction with a single companion. The conspirators were flanked.

The *Standard* says: "Joe Holden came upon you with a copy of the *Sentinel* in his hand." Now allow me to correct Joe and his backers came upon you in Davie Street with pistols and sticks, instead of the *Sentinel*. The *Sentinel* is the weapon with which you go upon them. When we saw you, you were standing in the middle of the street, pistol in hand, commanding Joe, Pike, Bozier and Company, to halt, which they did. I had been fool enough to allow Governor Holden to pledge me as one of his "last men" for his war—for secession. In Holden's first war, I had received two wounds, after the most scientific and approved style. Not wishing, in his second war, to be wounded in a bungling manner, I retired behind the street pump, which stood hard by. When I saw you standing single and alone before a dozen armed men, defying them to come a step nearer, I thought of the saying of the old man who saw his little bull butting the engine off the track: "I admire your pluck, but darn your discretion." You kept them at bay until two police officers came up and arrested and relieved these secret league belligerents.

You kept the peace as Lieut. Pike now admits. It was not his fight. He says he had nothing against you; he waited for his principal to make the advance; he failed to do it, and he (Pike) "left, feeling like a fool."

They all looked as foolish as Pike has admitted he felt, and many of them as if they would like to be under Vance's bed.

Now let us have peace, and if they come again in such numbers, do you run, until you can get a force half as large as their's, and you may count on the victory, but it can't be such a one as you had in Davie street. I would say, keep cool; but you were the only cool man I saw, every man, old and young, friend and foe, was excited; as for ourselves we could not keep cool, though standing behind the pump.

I need not say I wish you a safe deliverance from all such foes.

HOUSE OF REPRESENTATIVES.

SATURDAY, March 27, 1868.

House called to order at the usual hour. Prayer by the Rev. Mr. Long, of the Senate.

Journal of yesterday read and approved.

Various messages were received from the Senate in regard to certain bills and resolutions, which were appropriately disposed of.

Among them a resolution proposing to adjourn *sine die* on the 13th of April.

Leave of absence was granted to Mr. Davidson.

Mr. Matheson from the Committee on Corporations, reported favorably upon the bill to amend the act incorporating the Cheoih Turnpike Company. Placed upon the calendar.

J. S. Leary, colored, from the same Committee, reported favorably upon the bill to incorporate the Phœnix Transportation Company. Placed upon the calendar.

By Mr. Justus, of Henderson: A bill to allow the Commissioners of his county to levy a special tax. Lies over.

By Mr. French: A bill to incorporate the People's Gas Light Company. Referred.

By J. W. Price, colored: A bill to incorporate the Wilmington Co operative Land and Building Company. Referred.

Cuffee Mayo, colored, moved to reconsider the vote defeating the bill constructing a Railroad from Wilmington to Plymouth.

After a debate of some length Mr. Smith, of Alleghany, moved to lay the motion on the table.

The yeas and nays being called, the House rejected the motion by a vote of yeas 21' nays 61.

Mayo's motion was then adopted by a vote of yeas 61.

The question then recurred upon the motion to reconsider.

On motion of Mr. French, the consideration of that motion was postponed until Monday next at 12 o'clock.

Various bills from the private calendar were taken up and considered until adjournment.

SENATE.

MONDAY, March 29, 1869.

Mr. Hayes moved to reconsider the vote by which the bill chartering the Independent Telegraph Company, passed on Saturday, as he thought it was granting a monopoly, which was forbidden by the Constitution.

On motion of Mr. Moore, of Carteret, the motion to reconsider was tabled.

Leave of absence was granted Mr. Stephens for one week.

Leave of absence was granted Mr. Murphy for five days.

Mr. Smith, from the Committee on Propositions and Grievances, reported favorably on the bill to abolish the Board of Councilmen in Newbern.

Mr. Sweet asked a suspension of the rules to put the bill on its second reading, as there was great excitement in Newbern on the subject, and he held in his hand a petition, numerously signed by citizens of Newbern, asking the passage of the bill. The petition was signed by 500 voters—most of them colored men.

A. H. Galloway, colored, opposed the suspension of the rules, as he thought this Legislature had no right to interfere with the city matters of Newbern, and he understood very well, the object of the bill—it was to oust this board of Councilmen, because there were colored men elected on that board; and he looked upon the course of Mr. Sweet as infamous.

Mr. Sweet, in reply, said, in substance, that the Senator from New Hanover, had, on more than one occasion, traveled out of his way, to get into water too deep for him, and had not even so much as a straw to sanction him. He did not expect, nor did he intend, to be insulted by the Senator from New Hanover, who did not exhibit sense enough to understand the rules of propriety.

Amidst much confusion, and in an excited manner,

A. H. Galloway, colored, said he would hold the Senator from Craven responsible for his language, outside of this Hall; and subsequently said, that, if hereafter, the Senator from Craven insulted him, he would prove to him the blood of a true Southron. The rules were not suspended.

Mr. Brogden, from the Finance Committee, to whom was referred the House bill authorizing the public Treasurer to borrow money to supply a deficiency in the Treasury, reported the bill back, with a substitute.

The rules were suspended, and the substitute was adopted—and the question being on the passage of the bill, as amended,

Mr. Hayes moved to amend by restricting the Treasurer to 6 per cent—instead of 8—which was not adopted.

The bill then passed its 2nd. reading.

Mr. W. D. Jones, from the Committee on Agriculture, reported the bill creating a Bureau of Agriculture, &c., in the office of the Secretary of State, with amendments.

Message from the House, transmitting bills for concurrence.

House bill, amending the charter of the Western N. C. Railroad Company, passed, under a suspension of the rules, its three several readings.

Mr. Legg introduced a bill authorizing the late sheriff of Brunswick, to collect arrears of taxes, and for his relief.

Mr. Murphy gave notice of a bill to incorporate a Hook and Ladder Company in Fayetteville.

Mr. Welker presented a bill and report in relation to the location of the Penitentiary. Made special order for to night.

The bill allowing the Chatham Railroad to complete its work was taken up on its third reading, and passed. [The bill allows the Company to issue $2,000,000 of bonds, and mortgage its road—the State taking 2nd. mortgage.]

The bill authorizing the several Counties to subscribe stock to Railroad Companies. After a debate, participated in by Messrs. Osborne, Sweet and Graham in opposition, and Mr. Forkner in the affirmative, passed its third reading.

The bill to incorporate the Fayetteville & New River Railroad, was amended so as to read Fayetteville & Atlantic Road, making the terminus at Morehead City, passed its 3rd readings—yeas 18, nays 10.

Bill to authorize an exchange of bonds, was taken up.

Mr. Davis moved to lay on the table, which failed.

Mr. Barrow then took the floor, and in an able speech, advocated the passage of the bill.

Mr. Davis followed in opposition, Mr. Welker then spoke in favor and Mr. Hayes against.

Mr. Osborne spoke in favor of the bill.

During the discussion Mr. Graham asked Mr. Davis if he had not told him (Mr. Graham) that he (Davis) regarded these obligations as just debts of the State, and that he had examined the subject and thought they ought to be paid. Mr. Davis replied that he had spoken favorably of them but wished further time to investigate.

Adjourned.

HOUSE OF REPRESENTATIVES.

MONDAY, March 29, 1869.

House called to order at the usual hour. Journal of Saturday last read and approved.

By Mr. Ragland: A resolution that this General Assembly entertain no proposition to form a new County during this session.

On motion of Mr. Ragland, the rules were suspended, in order to consider the resolution.

Mr. Hodgin moved to lay it on the table.

The yeas and nays being called the House rejected the motion to table by a vote of yeas 17, nays 51.

The resolution was then adopted.

By Mr. Shaver: A resolution, requesting the Penitentiary Committee to visit the town of Salisbury. Lies over.

By Mr. Estes: A bill to authorize the Governor to employ counsel in the Supreme Court of the United States. Referred.

Various messages were received from the Senate, in regard to several bills which were appropriately disposed of.

By Mr. Humphries: A bill to incorporate the Norfolk & Currituck Railroad. Referred.

On motion of Mr. French, the rules were suspended, and the bill supplimental to an act to amend the charter of the Wilmington, Charlotte & Rutherford Railroad Company, was taken up, and passed its several readings.

SPECIAL ORDER.

Substitute for an act to provide for a system of public instruction.

The bill was considered by sections.

Section 1 was read and adopted.

Section 2 was slightly amended and adopted.

Section 3 was amended by inserting a proviso that no sectarian or political textbook shall be used.

Mr. Painter moved to amend the proviso by saying that text-books, manuscripts and other school teaching materials of permanent residents of this State shall at all times have precedence and shall be selected by the State Board of Education, when the same can be obtained. Lost

The section was then adopted.

Quite a long debate took place upon the recommendation of the committee to strike out section 4, which reads as follows: "The text books selected and presented by the Board of Education shall remain in use for a period of not less than five years."

Mr. Bowman said that unless this section was stricken out, he would look upon the bill as an attempt to force upon the people of North Carolina a certain system of education in order to instil into the minds of the pupils certain creeds, theories and principles utterly repugnant to all of our preconceived notions and ideas of what is right and proper.

Mr. Ingram said he thought that if this portion of the bill stood as it was the title should be changed, and instead of being an act to provide for a system of public instruction, it should be called a bill to establish a publishing house for the benefit of certain speculators.

He hoped the section would be stricken out.

Messrs. French, Foster and Stilley opposed the striking out of the Section.

Mr. Durham said it seem to be the intent of this bill to give this Board of Education power to prescribe text books, and to force parents to send their children to the schools where the text books are used. Though the books selected should be obnoxious, yet parents were to be compelled to send their children to the school if they were able to send them elsewhere. Even the poor privilege of keeping their children at home is denied to them, so he hoped the section would be stricken out.

The yeas and nays being called, the House refused to strike out the section by a vote of yeas 43, nays 48.

Mr. Bowman said he regarded this refusal of the House to strike out this section as an attempt to force upon the people of the State certain doctrines. He would warn gentlemen that, if this compulsory and infamous course was pursued, that the whole bill would be fought to the bitter end, &c. He intended to move this, afternoon, when the bill comes up as unfinished business, to lay it on the table.

The House then adjourned until 4 o'clock this afternoon.

LIFE INSURANCE.

NATIONAL

LIFE INSURANCE COMPANY,

OF THE

UNITED STATES OF AMERICA,

WASHINGTON, D. C.

Chartered by Special Act of Congress, Approved July 25th, 1868.

CASH CAPITAL,

$1,000,000,

PAID IN FULL.

It is no longer a question with any man, who tenderly loves his wife and children, who considers how helpless would be their condition in case of his death, as to the duty of taking out a LIFE POLICY, but as to which Company he shall pay his money.

If he reflects a moment he will conclude to patronize the Company which shows the greatest degree of vitality, which extends its business over the largest area, which is a Home Company in every locality; which furnishes insurance at the least cost; which insures no policies that are forfeitable should he be unable next year, or any subsequent year to pay his renewal; and which is undoubtedly able to meet ALL ITS PROMISES.

With these feelings and views, he looks over the newspapers and, by the time he gets through reading the advertisements of Mutual or Mixed Companies, he finds his mind so muddled that he is at a loss where to go or what to do. He can not comprehend one-half that is written, and concludes that none but ACTUARIES, who are familiar with the principles upon which Life Insurance is based can comprehend or explain anything about dividends and his liability for notes given in part payment of premiums. In his dilemma, he rocks into the plan adopted by the

NATIONAL

LIFE INSURANCE COMPANY,

U. S. A.,

and finds just what he wants:

An ALL-CASH PLAN, reduced to the LOWEST MINIMUM Rate, like any commodity in Market, so much Insurance for so much Money. No notes to give; no interest to pay; no anxiety about Assessments; no apprehension of his Policy being forfeited next year if he does not pay his annual Renewal; and the RATES so much LOWER than other Companies, that he realizes a larger Dividend, IN ADVANCE, than other Companies can pay him in the future.

He finds that, instead of this UNCERTAIN PROMISE, and present high rate, that the

NATIONAL

presents a certain and definite sum for a much lower rate, and puts up its paid up Capital of

$1,000,000

as a guarantee fund, that its contracts will be fulfilled, and, like thousands of others, cheerfully calls on their Agent to make his application for a Policy. Hence the unprecedented and most wonderful success of the NATIONAL as contrasted with the older and Mutual Companies.

The Company issued its first policy on the 1st of August, 1868, and up to March 1st, 1869, it had issued 3,582 policies.
Amount insured, $10 005,500.00
Total Premiums, 350,117.03

The whole number issued by the Connecticut Mutual in the first year of its existence was 892
By the Mutual Benefit of New Jersey, 693
" New England Mutual, 343
" Phœnix Mutual, 335
" Massachusetts Mutual, 312
" Equitable of New York, 277

The Mutual Life, of New York, in the first year of its existence, only issued 470 policies.
In its 10th year, 1,360 "
And in its 20th year, 2,842 "
this latter being 600 *less* than was issued by the NATIONAL in its first seven months.

CAUTION! We desire to warn the dealers in, and consumers of Snuff generally, that since the war, certain Tobacco Manufacturers, being unable to find a market for their snuffs, felt themselves obliged to counterfeit the general appearance of our packages, and imitate our Trade Marks so that a close inspection is necessary to detect the spurious article from the genuine, and others going so far as to assert that "Lorillard's Snuff is no longer made."

In making this publication we desire to warn the public against the impositions practiced upon them, as they are the losers thereby. It will be found, upon comparison, that Lorillard's Snuff is "far ahead" of all others, being made of the best stock, after an original and secret process known only to ourselves, besides possessing great age, strength and pungency, and is warranted not to contain any dangerous or deleterious substances, which cannot be said of many worthless articles put on sale by others. The best is the cheapest in the end. A circular will always be mailed on application. In ordering please specify if Salt Snuff (High Toast,) or Fresh Snuff (Extra Scotch) is desired.

NEW ADVERTISEMENTS.—Commissioner's Sale of Land in Warren County: W. H. Bagley.

Kreth & Weikel, Merchant Tailors, Fayetteville Street.

SAD OCCURRENCE.—On Saturday afternoon, Enoch Orrell, of Davie county, a blind pupil in the Deaf, Dumb and Blind Institution, twenty-two years of age, was drowned in Whitaker's mill pond, three miles from this city, under the following circumstances:

On Saturday morning Orrell asked permission of the Steward for himself and others to walk in the country. He declined to grant the request, as Mr. Palmer, the Principal, had given *positive* orders that none of the pupils should leave the premises to go outside of the city during the day.—Nevertheless, he determined to go, and induced three other youths to accompany him. One of them, named Chaplain, who is partially blind, acted as guide to the party.

Soon after their arrival at the pond, Orrell and Chapiain got in a small boat and paddled out into the pond. Chaplain finding the boat was leaking fast, tried to persuade Orrell to return to the shore, which he refused to do. Soon the boat commenced sinking and Chaplain swam ashore, and, before assistance could be given him, Orrell sank to rise no more. The body was recovered at an early hour in the night and brought to the city. An inquest was held by W. R. Crawford, Coroner, on Sunday morning, and after a careful examination of the circumstances attending his death, the following verdict was returned:

"The jury from evidence adduced, and after examination of the deceased, do exonerate the officers of the Institution from all blame, and do find that the deceased came to his death by accidental drowning."

Here we see another sad instance of the punishment which often follows disobedience. We are assured by the Principal that he never, *under any circumstances*, permits the blind pupils to go to a mill pond, or water course without being accompanied by some responsible seeing person.

THE old land marks around Raleigh, are slowly, but surely, disappearing. We were mortified, a day or two since, to find the row of Walnut Trees, that have stood for many years, in the street, South of the residence of Mr. K. P. Battle, had been cut down by order of the city authorities.—These trees were planted there by Mr. Peter Brown, whose memory is known to but few of our present population. They were used by Mr. Beverly Daniel, another old citizen, long since dead, to nail the horns of deer to, whenever he captured one of these animals. Mr. Daniel was a great hunts man.

As these Walnut Trees were not a nuisance, but an ornament to that locality, and as there was something of history connected with them, it is to be regretted our authorities deemed it a duty to remove them. An old friend says, it takes but a short time to cut a tree down, but many years to replace them.

FIRE COMPANY NO. 2.—A meeting of this Company will be held at the Mayor's office to morrow night, at ½ past seven o'clock. A full attendance is desired.

MEMORIAL CEMETERY.

We are informed, that during this week, or the next, the grounds of this place will be put in order, in view of the approaching anniversary, which takes place on the 1st of May. Those wishing to contribute assistance, will please see Mr. Waters, the Superintendent.

We would suggest to the ladies, that it is not too late to sow annuals, which will lend additional beauty, through the coming Summer months, to this already charming place.

The annual meeting of the Association will take place within a few days—due notice of which, will be given through the columns of this paper.

JERRY GALES, for many years the servant of the late Weston R. Gales, Esq., and for years the servant of C. B. Root, Esq., died at his residence in this city, last Saturday. Jerry was a faithful servant and an honest negro—was respected by his many white friends, and by the large concourse of colored people who knew him.

FIRE!—Our citizens were alarmed last Sunday morning, about 1 o'clock, by the cry of fire, which proved to be the ice house of Mr. Fraps. This was destroyed, as was, also, an adjoining house, or shed, together with the handsome hearse, belonging to Mr. Fraps, the construction of which cost $800. Mr. Fraps loses considerably by this fire, which we have no doubt, was the work of an incendiary, but, he is a man of great energy, and will surmount it, without complaining.

OAK CITY COUNCIL, FRIENDS OF TEMPERANCE.—There will be a meeting of this Council to-night. A full attendance of active and associate members is requested, it being the last meeting of the current quarter. Initiations expected.

EDITORIAL NOTES AND GLEANINGS.

We suppose our readers do not crave political discussions all the time, but would be pleased with some of the good things that are to be found in books and periodicals. We have placed before them occasionally, under the above head, certain appetizing waifs and "ana" as we have met with them here and there. Relishing them ourself, we had naturally concluded that at least some of our readers would relish them too. As we cater for all,—giving to each his share of those things he most affects, we expect, now and then, to regale them with the best flowers we can gather from the rich fields of reading.

1. Douglas Jerrold, as almost every one knows, was one of the best wits that the world has possessed. There was something marvellous in the fecundity and exquisite delicacy of his humor, and in the peculiar pungency and brilliancy of his wit. Jerrold was, on one occasion, dining with a certain gentleman. Whilst they were all seated, Mr. Winter, an assessor of taxes, entered, whereupon Jerrold got off the following impromptu:

"Here comes Mr. Winter, assessor of taxes,
I advise you to give him whatever he *axes*;
I advise you to pay without any flummery
For though his name's WINTER, his process is SUMMARY."

2. All Americans know that Abraham Lincoln had a rich vein of a certain sort of wit. It was more American than English—more like the broad humor of the West than like the refined touch of the best English wits. But a friend has told us of a excellent pun that has been attributed to him, and without knowing whether it originated with him or not, we are quite sure it is good enough for any one. It has been published before, but will bear repeating. He was asked what the gold ring meant that encircled the medallion in the fifty cent bills in circulation. He replied, "It is one of Chase's (who was Secretary of the Treasury at the time) shallow devices to give a *metallic ring* to the currency.

3. Mr. Gladstone, the present Premier of England, is a man of rare culture and eloquence. Thirty years ago he published a work on "Church and State" which was severely criticised in a very able reviewd by Lord Macauley. We believe he has published one or two other works since, with which we are not at all familiar. He is best known, however, as a politician and an orator. We met recently with some good remarks of his upon the relative difference between womanly and womanish, which we think worthy of being reproduced. There is an implied respect and reverence in the term *womanly*, whilst, on the other hand, *womanish* implies the opposite, says Mr. Gladstone: "Womanish is the reverse of all this. It conveys the Oriental or brute notion of women: puppets, coy, frightened, useless, and without soul or brain—creatures to be used as playthings by the superior animal, and to be thrown aside—beings whose humanity is devoid of all that makes humanity holy. Such are the womanish women of the sensualists of the East—such is the contemptuous meaning the adjective bears here. To speak of an English man as womanish is to hold him up to the bitterest contempt."

NORTH CAROLINA.

The Old North State in 1867, raised 28,120,000 bushels of corn, wheat, rye, oats, barley, buckwheat, and potatoes.

Besides this her tobacco crop was 40,212,000 pounds, and her hay crop 179,000 tons.

The number of acres she cultivated in order to produce this yield was 2,548,113. The value of the entire crop of this year was $28,332,716.

Her crop of corn was worth $18,692,968; wheat, $7,305,650; rye, $548,490; oats, $2,226,560; barley, $4,500; buckwheat, $19,580; potato s $519,580; tobacco, $6,956,679; and hay, $2,158,740. The value of her tobacco was nearly 50 per cent. per pound more than that of Virginia's.

In Gates county she lost 20 per cent of her horses from the disease known as the blind staggers, which prevailed to a considerable extent in Onslow and Craven. In Sampson, Currituck and other counties the sleepy staggers carried off many horses as well as mules—to the extent of 8 or 10 per cent.; nineteen twentieths of those attacked died. The disease had not prevailed before since 1865, and it was attributed to malaria. In parts of Chatham county three-fourths of the hogs were lost from disease.

The decrease in value of real estate was very general in 41 counties. As a general rule small farms decreased less than large ones. The general average is stated at 50 per cent., and the causes are attributed to the war, change in the labor system, scarcity of money and the unsettled state of public affairs.

She has 6 617,284 acres of improved lands in farms; 17,345,685 in unimproved lands in farms; her wild or waste acres not in farms are 5,037,031. The number of her farms is stated to be 75,208, and the average number of acres in each is 316.—*Petersburg Express.*

"Far-fetched and dear-bought," is not always proof of value. The medical world is becoming alive to the fact that our common Dock Root of the fields, is an important remedial agent, and one of the most effectual alteratives known. It has always been a favorite medicine with the wise mothers of the country, for ulcers and sores and for purifying the blood. This root which grows so abundantly around us everywhere, is now known to be one of the the ingredients of Ayer's Sarsaparilla, which is attracting public attention by its extraordinary cures of cutaneous and ulcerous diseases. Each country produces the antidotes for its own disorders, as was said of old "*and upon the banks thereof shall grow all trees for meat, whose flower shall not fade, and the fruit thereof shall be for meat, and the leaf thereof for medicine.—Northfield, (Vt.) Herald.*

STATE PENITENTIARY.—The Select Committee, to whom the location of a State Penitentiary was entrusted, made their report, through the Chairman, Mr. Welker, in the Senate, this morning. A majority have chosen Greensboro'; two of the Committee, are in favor of Raleigh.

AN ATROCIOUS MURDER.

The following letter has been handed to us for publication. It tells of a most atrocious murder that was committed in Arkansas by the Militia, who were sent out by Radical authority. The young gentleman thus civilly murdered, was a native of Wake County:

DES ARC, ARK., Feb. 7th, 1868.

Mr. Rogers:

MY DEAR SIR:—At present it is a painful task for me to attempt to chronicle to you, the sadness of which I am going to write, it is almost too much for me to write, too bad to even think of. Sometime in December last my old friend and *spiritual child*, Grandberry Rogers, your son, came to my house and remained with me till about the 5th day of January, though, at that time, I had moved to this place, when he employed himself to a Mr. Leaman, an old neighbor of mine, who, at said time, was a refugee from Woodruff county, where I lived before my removal here. The militia of the State had, subsequently, been called out, and had, as that county had, by proclamation of the Governor, been declared under martial law, been sent to said county, and from personal animosity of two men, did things atrocious enough to startle the heathen, heart-rending in every respect, and Berry was one of the unfortunate. Altogether unexpected to him, he met them, and there was one among them who had heard him speak of purchasing land; and, thereupon, concluded that he must certainly have some money, so in order to get it, they thought that if they would imprison him a few days and scare him, and then offered that if he would pay them they would turn him loose. Knowing himself to be innocent of any charges, and believing that they would do as they said, made arrangements to pay them, when one of them told him that if he would pay him $150 he would let him go; so Berry paid him the money, and then the scoundrel brought him from Cotton Plant, where they were, to where I had lived, saying that they would guard him out of danger, but they did not allow him to stop, but carried him past about half a mile, and before he knew anything of their intentions, they shot him, in cold blood, five times, killing him immediately. Berry was killed on the 8th of January.

Berry was badly cared for in his burial; but those that did it say that they could do no better under the circumstances,—the militia, or better known here as *Mountain bummers* and *murderers*, did so badly, that it is an impossibility to tell one hundreth part of their deeds of murder and robbery. Nothing more than a band of robbers and murderers. Many are the victims of their Satanic purposes. Oh! Father Rogers, it is too much to think of. Deeper in *shame* and *degradation* than it seems human nature could possibly ever reach. No imagination can reach the beginning of their deeds of outrage. They have now been disbanded.

I will do as you say with his effects; so I leave the matter with you. This leaves me well. May God bless us and sustain us in all our troubles and distresses. May He give us grace sufficient to undergo all of earth's trials, and at last take us home to Heaven, that we may sing praises to Him forever and ever.

There is one consolation in Berry's death. He knew the Love of God, and has passed from death unto life. Glory be to God for the hope, by and through the grave. Blessed be the God of our salvation. Amen.

Your Brother in Christ
and Humble Servant,
JEROME HARALSON.

P. S.—Direct to Des Arc, Arkansas.

DEATH OF MRS. MARY L. SPRUILL.—It is with deep regret, that we announce the death of Mrs. Mary Louisa Spruill, relict of George E. Spruill. She died at the residence of William H. Smith, Esq., in Scotland Neck, Halifax County, on Friday, the 19th inst., in the 69th year of her age. Mrs. Spruill, was a native of Halifax, but for many years past, resided in Warren County, and for several years, in the immediate neighborhood of Warrenton, and constituted one of the brightest ornaments of our social circle. We have no hesitation in saying that her character was universally admired by her numerous acquaintances, and that it was, one of the finest specimens of female piety, amiability, and moral excellence which we have ever met with, in our intercourse with mankind.

Few have been better prepared to leave this earth, for a purer, and a brighter world. In all of the relations of society, under every variety of circumstances, and amid all of the trying vicissitudes of a long life, sometimes marked by deep and almost overwhelming affliction, she conducted herself in such a manner, as to secure the esteem of all; and her mild and lovely virtues, shone with a beautiful lustre.

Our community mingle their heartfelt sympathy, with the sacred sorrows of her bereaved relations and connections, and will long hold her memory in cherished remembrance.

When we reflect upon the death of this excellent, kind hearted and affectionate woman, how appropriately do the lines of the poet, recur to our recollection:

"Our dying friends come over us like a cloud,
To damp our brainless ardor, and abate
That glare of life, which sometimes blinds the wise."

The Company has issued a Prospectus to raise a Capital Stock to enable it to take Life risks on the stock plan. When this is done, the Company will offer a very superior scheme of Life Insurance on this plan.

We want Agents in every city, town and village in the State. The Company will be managed with the strictest economy and efficiency, for the benefit of the insured and all interested.

We must build up our home institutions and, as far as possible, keep our money at home to promote home enterprise, home industry and prosperity. WM. E. PELL,
W. H. Jones, Sec'y, pro tem. President.

CHARLES' LONDON CORDIAL GIN,

Or Pure Liquor of Juniper Berries.

This favorite brand of Pure London Cordial Gin, has stood the test of time, imitation, piracy, high tariffs and unfair competition, and still enjoys a constantly increasing sale; showing that true merit does not always go unappreciated.

CHARLES' LONDON CORDIAL GIN is offered to the public as a perfectly reliable specific in all cases of DISEASED BLADDER and KIDNEYS. It acts directly on these organs, with a directness and speediness which render it invaluable to persons suffering from GRAVEL, DIABETES, INFLAMED BLADDER, scanty and highly colored urine, and in all cases where, from whatever cause, a healthful diuretic is required.

Ladies subject to painful menstruation, can by the use of Cordial Gin a few days previous to, and during illness, obtain great relief. In such instances it should be taken with sugar and warm water.

As a tonic and beverage this Gin is unequaled, as it possesses none of the headache properties to be found in those poisons, now so frequently sold under the names of Gin, Brandy, Whiskey, &c.

LIFE INSURANCE.

ALL CASH PLAN OF THE

ÆTNA

LIFE INSURANCE COMPANY,

OF HARTFORD, CONN.

W. H. CROW, General Agent for North Carolina and Virginia, South of the James.

Accumulated Capital, over	$10,000,00
Annual Income,	6,000,000
Surplus, above Liabilities,	2,000,000

THE ÆTNA

Has $126 Assets for every $100 Liabilities.

ALL POLICIES STRICTLY NON-FORFEITING.

CASH RATES!
CASH POLICIES!
CASH DIVIDENDS!

DIVIDENDS PAID ANNUALLY, COMMENCING AT THE END OF THE YEAR.

Dividends may be used to reduce the annual Premium or increase the Cash value of the Policy.

NON-FORFEITING CASH PLAN.

The Ætna issues Policies on the various forms of whole life and endowment insurance, with dividends on the contribution plan, which may be applied to the reduction of each annual premium after the first, or the full premium may be paid each year and the dividends applied to reduce the number of annual premiums, together with the period fixed for the maturity of the insurance, so that endowments can be paid to the insured before the time originally specified, and life-policies before death.

By this plan of applying the dividends to lessen the cost of the insurance on the original policy, instead of increasing the amount of insurance, and of course its total cost, and the policies will become self-sustaining much sooner than in other companies; and in case of inability to continue payments, give a larger paid-up-policy.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may, at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a per centage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby will be paid in *full*, without regard to the time fixed thereon for its payment.

The system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

The New York *Insurance Monitor* says of the ÆTNA:

"No Life Insurance Company ever achieved so complete a success as this popular institution.—Its popularity is altogether unprecedented in the annals of commercial enterprise in this country."

March 17-tf

SYNOPSIS OF STATEMENT FOR 1868, OF THE CONNECTICUT MUTUAL LIFE INSURANCE COMPANY.

Income from Premiums,	$7,167,804 71
Income from Interest,	1,584 905 48
Total Income for the year,	8,746,309 59
Losses paid,	1 221 535 00
Dividends paid,	928,284 00
Total Losses paid to date,	8,080,983 00
Total Dividends paid to date,	2,197,2 8 00

It will be seen from the above that the INCOME FROM INTEREST ALONE greatly exceeds the losses, and that the TOTAL INCOME FOR ONE YEAR is more than the TOTAL LOSSES PAID TO DATE.

The Assets of the Company are now over TWENTY-THREE MILLIONS OF DOLLARS, and with its IMMENSE INCOME offers greater inducements to those insuring than any other Company in the country. In addition to the part-credit system of premiums with dividends annually payable after four years, it issues Policies upon a reduced all-cash premium, with immediate ANNUAL DIVIDENDS. It can be plainly seen that the Connecticut Mutual Life has been doing a safe and increasing business for the last twenty-two years. It does not deem it necessary to make grand promises of what they INTEND doing, but will insure persons on any plan most desirable, and it makes all its policies non-forfeitable, for a stated amount, after two or three payments. Also remember, this Company has $154 Assets securely invested, for every $100 of its Liabilities.

LIFE INSURANCE.

The Most Vigorous and the Most Liberal Insurance Company in the Country.

BROOKLYN LIFE INSURANCE COMPANY,

141 Broadway, N. Y.

ASSETS OVER

$1,000,000!

CHRISTIAN W. BOUCK.....*President.*
ABRAM D. POLHEMUS.....*Vice President.*
WILLIAM M. COLE.....*Secretary.*
D. P. FACKLER.....*Consulting Actuary.*
DANIEL AYRES, M. D., LL. D.....*Med. Examiner.*

POLICIES ISSUED AS GOOD AS UNITED STATES BONDS.

POLICIES VALUABLE IN LIFE AS AT DEATH!

The BROOKLYN LIFE is the only Company in the country which guarantees a definite surrender-value to every Policy on which two or more annual premiums have been paid; this amount, in dollars and cents, is endorsed on every Policy issued. Should any Policy-holder become unable to pay his premiums, he can thus know the cash worth of the Policy at any time after two annual premiums have been paid.

This certainly is the greatest inducement and most tangible advantage ever accorded to parties insuring their lives.

Among the advantages offered by the BROOKLYN, which thoroughly evince the determination of the officers to make it the MOST LIBERAL Life Insurance Company in the United States, are:

1st TOTAL REMOVAL OF ALL RESTRICTIONS ON TRAVEL AND RESIDENCE. The Assured may travel or reside anywhere they choose, the world over without extra premium or special permit.

2d A Loan of one-third of the Premium to the Policy-Holder Annually.

3d. All Policies are non-forfeitable after two full annual premiums have been paid.

4th. Rates as low as are consistent with financial soundness, and less than those of almost all Companies which accommodate their insured with loans.

5th. Dividends annually (after second year) in cash. Dividends are divided on the CONTRIBUTION PLAN—the only equitable manner of dividing the earnings of a Life Insurance Company. The Contribution Plan was first conceived by Mr. D. P. Fackler, now Actuary of the Company and has been adopted by most of the best managed Life Companies in this country.

The BROOKLYN LIFE has paid and now pays to its Policy-holders LARGER DIVIDENDS than ever before paid by a Life Insurance Company!

6th. Promptitude in paying losses.

7th. No charge for policy or stamp.

The success which the "BROOKLYN" has achieved, fully exemplified in its rapid and healthful growth, is a convincing proof of the confidence reposed by the public in its soundness, integrity and liberality.

CAPITAL OF THE STATE,

Daily, Semi-Weekly and Weekly.

NEW ARRANGEMENT.

The RALEIGH SENTINEL having passed under the Editorial management of the undersigned, it will, from the present date, be conducted by him.

It will be the zealous and fearless advocate of the CONSTITUTION of the United States, seeking to bring the people back to their ancient reverence for that immortal instrument, and to restore the policy of the country to that honored standard, as the only guarantee of National prosperity.

It will do justice to the man and measures of the present day, whenever they may merit it, but it will unsparingly lash and denounce all who set themselves up in opposition to the Federal Constitution, and hold up to the public indignation corruption and imbecility in high places.

It will ardently seek the promotion of the best interests of North Carolina,—moral, educational, material and political.

FIRST CLASS NEWSPAPER.

THE LATEST NEWS

From every quarter, both by mail and telegraph will be carefully collated and presented.

Full and correct market and financial reports will be given.

NEW METHOD OF WASHING CLOTHES WITHOUT LABOR.

THE AUTOMATIC

CLOTHES WASHER AND BOILER.

THIS BOILER IS MOST EFFECTUAL, reliable and universally recommended. It can be used on any Stove or Range, in any boiler, and the low price of the article places it within the reach of every family.

This Boiler operates upon purely philosophical principles, is self-acting, and dispenses with labor and the wear of the clothes.

The hot suds and steam, by the action of heat, are driven up through tubes, poured upon the clothes, and forced through the fabric with unerring rapidity, cleansing all articles, from the finest laces to the tea-basket. For Flannels it is invaluable, as it does not roll them as in the old process of rubbing and pressing.

The time required for cleansing a boiler full of clothes is twenty to thirty minutes, and nearly three hundred gallons of boiling suds are forced through the fabric, thoroughly loosening and eradicating the dirt WITHOUT LABOR or friction.—A thorough rinsing finishes the process.

Washing day will no longer be a terror and dread to housewives. The cost of the Boiler will soon be returned in the SAVING OF TIME AND LABOR, and the great saving in the wear of clothes.

The great value of this invention appears so clear, and appeals so directly to common sense, that we have deemed it unnecessary to accompany its introduction with numerous letters of approval, &c.

No invention has met with such ready sale and given such satisfaction. Call at LOUGEE & BROTHER'S, and see its wonderful operations.—We have the exclusive right to sell and manufacture in the State.
